Five Dead in Explosion, Fire at Evansville, Ind.

EVANSVILLE, Ind. (AP)—An explosion and fire in zero weather demolished a two-story frame house early today, killing five of the seven occupants.

All were members of one family.

A man leaped from a second story bedroom window and pulled his brother to safety. Both escaped with minor injuries.

Police Sgt. Fred Banks identified the dead as Virgil D. Oglesby 47; his wife, Nellie, 44; Patricia Ann, 16, their daughter; Mrs. Eliza Cooper, 80, Mrs. Oglesby's mother, and James H. Cooper, 56, her brother.

James Oglesby, 26, who escaped with cuts and bruises, told authorities he was asleep in a second floor bedroom when the blast rocked the home. He said he leaped out of a window, then went back into the house and pulled out Bob by 13. The boy was treated for cuts at Deaconess hospital.

Banks said a preliminary investigation showed the explosion occurred in an oil furnace.

Coldest Weather Of Season Here

Worst cold spell in several years continued in the area with the coldest weather of the season yesterday and today.

Yesterday the mercury plunged to three degrees below zero and this morning it was a colder four below.

Test Spaceman Wants Real Trip

SAN ANTONIO, Texas (AP)—Space doctors and scientists today studied reams of technical data obtained from successful test "space-man" Donald G. Farrell, who says he would like to follow up his simulated seven-day flight to the moon with a real one.

But Airman Farrell's parents in the Bronx, N. Y., promptly put a damper on the idea after learning that their son, after emerging from his week-long isolation in a sealed space cabin Sunday, had said "I would love to make a real trip to the moon."

"I would try to discourage that," said his father, James A. Farrell, an accountant with the brokerage

firm of Bache & Co. "It would be much too hazardous."

Farrell stepped out of the three by five foot steel shell seven days to the minute from the time he was hermetically sealed in.

Ready For Another Month

With a grin he said he was ready to go back in for another month of solitude if necessary.

However, Farrell said one major factor was left unanswered in his experiment at the School of Aviation Medicine here to determine man's ability to face the monotony and boredom of outer space.

At no time, Farrell said, did he feel as if he were truly in space. In front of the chair he sat in was a panic button. A push on it would have caused the scientists watching from the outside the chamber to open the door and release him.

A man soaring into outer space would have no panic button to push if terror should overcome him.

Farrell, after a 30-minute conference and an impromptu speech

by Senate Majority Leader Lyndon B. Johnson, was hustled off to a hospital for 72 hours of tests, after which he will be flown to New York.

Slightly Wobbly

When he stepped out of the chamber, the airman was asked by a doctor if he was "wobbly."

"Slightly, Sir," the six-foot, 181-pounder replied.

Farrell said he missed cigarettes more than anything else. The atmosphere in the cabin was equal to that at 18,000 feet, forcing him to use oxygen and therefore give up smoking because of the fire hazard.

He lost four pounds, despite increasing his caloric intake in the chamber from 2,500 to 3,400. This puzzled the doctors, who had predicted Farrell would gain.

Farrell said the "strangest thing" of the experiment was that when he tried to whistle to while the time away, he couldn't. This was due to the low air pressure.

A representative will be present from Southern Illinois University to show slides and discuss the association with those present.

Frank Sharp, 76, Dies; Funeral Tuesday at 2 p. m.

Frank Sharp, 76, 111 South Land street, Harrisburg, died at 8:30 a. m. Sunday in the Ferrell hospital in Eldorado. He was a retired coal miner having last worked at Peabody 43 and was janitor for the Horace Mann school and the Excel market. He was born in Jackson county Ohio, Aug. 24, 1881, and was the son of the late Henry and Hannah Sharp. He had been in ill health for about a year and in serious condition for about a month with a heart ailment. His wife, Lizzie, preceded him in death in 1956.

Mr. Sharp is survived by his eight daughters as follows: Mrs. Estelle Sullivan, Herrin, Mrs. Thelma Pickering, Carrier Mills, Mrs. Alberta Dowdy and Mrs. Cathryn Bain, both of Harrisburg, Mrs. Mary Ewan, Eldorado, and in Gary, Ind., Mrs. Frances Kerz, Mrs. Mildred Hamilton and Mrs. Frieda Potts. There are 31 grandchildren and 17 great-grandchildren surviving, his sisters, Mrs. Lou Marty Morgan town, W. Virginia, and Mrs. Jane Hill, Coalton, Ohio, and his brother, Johnny Norman Sharp, also of Coalton.

The body will lie in state at the Harrisburg funeral home until the funeral at 2 p. m. Tuesday in the Dorrisville Baptist church where he was a member. The Rev. Ernest Ammon will officiate and burial will be in the Sunset Hill cemetery.

Extinguish Fire In Basement West Ledford School

Fire broke out in the basement of West Ledford school about 8:45 a. m. today but was extinguished and classes went on as usual.

It was caused by an overheated pipe, which caught fire to the wall near it. The damage was confined to the area around the pipe.

The Harrisburg fire department made the run to the school but the fire had been put out with extinguishers before the truck arrived.

A small two-room house at Robinson and Land in Harrisburg was destroyed by fire around noon yesterday, firemen said.

It was occupied by two brothers, George and Love Tison, and neither was at home when the fire started. All the contents burned up in the flames.

It was reported that George Tison had fired up the stove and had gone to the home of a neighbor when the fire broke out.

Harrisburg Elks Ritual Team Wins District Contest

Members of the Harrisburg Elks ritual team successfully defended their district ritual title yesterday in the South district ritual contest held at Murphysboro.

In a contest so close that minor word and department errors determined the difference, the Harrisburg Elks compiled an average of 94.177 points. Their closest rival, Cairo, scored 93.7216. In the individual ratings, Harrisburg won four firsts and three seconds.

Individual chair winners for Harrisburg were Exalted Ruler John R. Small, Leading Knight Owen J. Hunsinger, Loyal Knight Marion Bradley, and Inner Guard Floyd Jones. Lecturing Knight Richard Webb, Esquire Howard Logsdon, and Chaplain Wayne Dixon all finished second in extremely close competition.

The local team is now eligible to compete for the state ritualistic championship at Decatur in May. They were third-place winners at the state meeting last year.

Turner Placed On Probation for Burglary in '53

Freddie Turner, arraigned Saturday before Circuit Judge Clarence E. Wright here on a charge of burglarizing the Bob Burnett Men's store in 1953, pleaded guilty and was placed on probation for a two-year period.

Turner, who said he was 24 and lived at 808 East Walnut street, Harrisburg, also said he had been in no trouble since his 1953 indictment.

When he entered his plea of guilty Judge Wright asked him point-blank: "Are you guilty?"

Turner replied that he didn't remember, then said that he broke into the building.

Wright then accepted the plea and when no objection to probation was voiced, Turner was asked what he would do if he were to be given probation. He replied that he expected to get a job at Fort Lauderdale, Fla. He then was placed on probation. He was represented in court by Atty. Arlie O. Boswell.

Turner was arrested here several weeks ago by Harrisburg city police on the 1953 charge, a day or two after he got out of the penitentiary. He had been sentenced to the penitentiary on an upstate charge after leaving Harrisburg following the Bob Burnett burglary.

Louie E. Owen, 63, of Liberty Community, Dies

Louie E. Owen, 63, of the Liberty community, RFD 2, Harrisburg, died in the Lightner hospital at 10 p. m. Saturday following a long illness. He was a retired coal miner, having last worked at Sahara 7. He was born March 3, 1894, in Saline county and was the son of the late Stanton and Nora Owen. His wife, Jennie Owen, preceded him in death March 17, 1957.

The body will lie in state at the Gaskins funeral home in Harrisburg until the funeral at 2 p. m. Tuesday in the Liberty Baptist church where he was a member.

The Rev. Roy Reynolds, assisted by the Rev. Paul Frick, will officiate and burial will be in the Sunset Gardens.

Mr. Owen is survived by his children, Norman Owen, Dearborn, Mich., Mrs. Nora Jenkins, Bartlesville, Okla., Bob Owen with the U. S. Army, stationed in Germany, but at home where he was called for his father's illness, and four grandchildren. One son, James W. Owen, preceded him in death.

Cincinnati Police Question Equality Man About Slaying

CINCINNATI, Ohio (AP)—Police said today they doubted John Wallace, 21, Equality, Ill., was the slayer of a Covington, Ky., woman here last week, but they continued to question him about the slaying.

Wallace was to be viewed by persons who saw a man with Mrs. Margaret McCallister, stabbed to death in a hotel last Monday, at taverns here.

Wallace was brought here Sunday by two city detectives. He denied knowing Mrs. McCallister mother of four children.

Wallace was picked up at his former home in Equality by Galatin county authorities for officers at Cincinnati, and was returned to the Ohio city to answer questions about the killing.

Wallace, when questioned Saturday at Shawneetown, affirmed he was in Cincinnati at the time of the killing but maintained he knew nothing about it. He told officers he thought they wanted to question him about some checks when they found him in Equality.

Schwartz Links Brother-in-Law of Mamie to Bidder for TV Channel

WASHINGTON (AP)—Barnard Schwartz, ousted counsel for a House investigating subcommittee, today linked Mrs. Mamie Eisenhower's brother-in-law to the successful bidder for a lotly disputed Miami, Fla., television channel.

Schwartz, testifying under oath, told the House subcommittee on legislative oversight that Col. George Gordon Moore was a partner in a Dominican Republic syndicate with two officials of National Airlines.

A National Airlines subsidiary, Public Service Television Inc., was awarded the controversial Channel 10 station in Miami by members of the Federal Communications Commission who over ruled recommendations of their own field examiner.

Schwartz was called before the subcommittee to explain under oath his charge that a "White House clique" had brought improper pressure on the FCC and other federal regulatory agencies to influence their decisions.

Schwartz related Moore's alleged connections with National Airlines when Chairman Owen Harris (D. Ark.) told him the subcommittee would like to know what Colonel Moore's interest was in this.

Gets Year on State Farm After Arrest On Two Charges

Billy Hutchinson of Harrisburg today faced a term of one year on the state farm at Vandalia after he pleaded guilty in county court Saturday to charges of illegal transportation of liquor and resisting arrest.

He got 90 days from Judge Trafletton Dennis on the illegal transportation charge and a year for resisting arrest, the terms to run concurrently.

Hutchinson, who has been in trouble with the law on numerous occasions, the latest about three weeks ago when he pleaded guilty to a charge of illegal transportation, was arrested Friday night following a chase.

City Policemen Floyd Kimbro and Pat Atkinson tried to stop him and two companions in Dorrisville and a chase resulted. When police shot two tires out on the Pauper Farm road the car was abandoned and the occupants fled. Hutchinson later was found and arrested and police are looking for his two companions.

Death Toll for 10-Day Cold Wave Now 223

Michigan City, Ind., Isolated by 4 to 5 Foot Snow

BOSTON (AP)—The East Coast blizzard centered over northern New England today with sharpened intensity. Sub-freezing winds blew over its white wake on the hurricane path from Alabama to Boston.

The death toll for the 10-day cold wave that began Feb. 6 rose to 223.

It was a numbing Monday from the Gulf Coast, where two to three inches of snow fell in the week-end storm, to the Northeast where official depths of 42 inches were blown into towering drifts on gale force winds.

The worst snow in the nation, however, was outside the sweeping storm path in the northwestern corner of Indiana where a Lake Michigan squall dumped four to five feet of snow. Drifts blew to 18 feet. Michigan City, Ind., was virtually isolated in zero temperatures, and a full state of emergency was declared with aid summoned from as far away as Chicago.

Gusty winds up to 30 miles an hour during the night and intermittent snows prevented road crews from keeping more than emergency lanes open. All schools and about 70 businesses and industries remained closed today.

The Weather Bureau predicted more snow today.

Boston Buried

Boston was buried under 18 inches of snow, a 24-hour fall that broke a 37-year record by 1 1/2 inches. Up to 27 inches fell in suburban areas. Accompanying high tides forced 50 families from their homes in Quincy.

Blizzard-driven waters flooded homes along the eastern Long Island and Connecticut shores Sunday and threatened the coast of Maine today.

Galatia Home Bureau Meets With Mrs. "Pete" Gardner

The Galatia Home Bureau unit met in the home of Mrs. "Pete" Gardner recently and showed great interest in the table setting demonstration given by the home adviser, Mrs. Martin Hunt. There was a film strip to supplement the demonstration. Mrs. Hunt also showed a kit of silverware in many patterns and reminded the members that the lustre of silver dies if not used. She also said that sterling silver contains some copper.

Mrs. Kenneth Allen showed machine stitched hemming and explained its uses.

Betty Takacs, health chairman, spoke of new medicines developed for high blood pressure and rheumatic fever. Madeline Large, program chairman, asked members to check program slips to indicate their choice for program material for the coming year. Roll call was answered with the reading of comic valentines and Sunshine friends received valentine gifts. Carrie Riegel and Edna Stevens also received birthday gifts. Edna Cochran won the quiz prize.

The unit agreed to assist with the registration for chest X-ray in Harrisburg, March 5.

Mrs. Gardner served cherry pie and coffee to the 15 members and guest, Mrs. Peter Kunin.

John C. Small Home Scene Of Joint Church Service

Mt. Moriah and Union Chapel churches held a joint midweek prayer service in the John C. Small home Wednesday evening. The devotion for the meeting was taken from chapter two of Paul's second letter to the Thessalonians. Rev. Volia Sittig of Union Chapel led the meeting and Rev. George Jenkins, pastor at Mt. Moriah, led the opening prayer. L. L. Riegel led the singing and Mrs. James Allen gave the benediction. This meeting solved the problem of holding a meeting with small attendance from each church, due to the cold weather and the great amount of illness due to colds in the community. The group agreed to continue this arrangement until conditions better themselves.

Rev. Jenkins is pastor of the Lone Oak church, also, and will make it the host church for the next meeting. Union Chapel will be host Feb. 26 and Rev. Jenkins will give an illustrated lecture about his trip to Mexico, last year. There were 24 members in attendance at the meeting Wednesday and it is expected that the attendance will grow.

It's Simple, They Need Help---Give All You Can!

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Senator Morse Goes From Prayers To "Stolen Documents"; Foot-Dragging Congressman Harris Now Vows He'll Investigate; Morse Will Still Push His Resolution For A Special Senate Probe.

WASHINGTON—Wayne Morse or Oregon is one of the most versatile, toughest scrappers in the Senate of the United States. One day last week he got up, shaved, ate no breakfast, appeared on the Dave Garroway TV show, then attended a Senate prayer break fast, at which he preached a sermon, "Peace Through Disarmament."

Quoting from Matthew V. "Blessed Are The Peace Makers," "Isaiah II and Micah IV, 'Beat Their Swords Into Plowshares,'" and from Matthew 26:52, "Then Jesus Said Unto Him, 'Put up again thy sword into its place, for all they who take the sword shall perish with the sword,'" Morse told his Senate colleagues that Asia feared the United States as much as it feared Russia.

"We are not convincing the world that we are peaceful," Morse said.

"That was a remarkable sermon," commented Senator Dworshak of Idaho, "for one of the toughest fighters I know."

Finishing the prayer breakfast, the Senator from Oregon went back to his office. Waiting for him on the telephone was Speaker Rayburn.

"I understand you have some stolen documents of ours," said the Speaker, half-kidding. "I don't know that the description 'stolen' is correct, but I do have some documents," replied Morse.

He referred to the fact that the previous midnight he had come to his door in pajamas and dressing gown to receive several cartons of confidential files from the House subcommittee on legislative oversight, brought to him by the fired counsel, Dr. Bernard Schwartz.

"I will send the U. S. Marshal for them," said the Speaker.

"Under this administration, you better send the Army," replied Morse. The Speaker roared.

"WE WILL INVESTIGATE"

They arranged that Morse would be at his apartment to deliver the documents at 12:30 noon. The apartment lobby when he arrived seemed full of photographers and congressmen, including Chairman Owen Harris of Arkansas and John Flynt of Georgia. They shook hands. Photographers asked Morse if he would carry out the documents so they could take a picture of him.

"I couldn't carry them. They are too heavy."

Congressman Harris asked newsmen to retire so he could talk privately with the Senator from Oregon. He told Morse how the man who had first proposed the investigation was Speaker Rayburn and how he, Harris, had had a conference with the Speaker that very morning.

"The country is all stirred up," said the congressman from Arkansas, who hitherto has dragged his feet against a probe, "but I am going to give them an investigation such as they have never seen before. I don't care if it's

Muriel Holland GOP Candidate For Treasurer

Muriel L. Holland

Muriel L. Holland is formally announcing his candidacy for the Republican nomination for treasurer of Saline county in the April primary.

Mr. Holland has lived in Saline county all his life except for three years during World War II, when he was in the Pacific area as a Sea-Bee in the U. S. Navy. Son of Mrs. May Holland and the late George Holland, he was born in Dorrisville and attended the local grade and high schools. His family has been lifelong Republicans, his father having been Harrisburg township highway commissioner for 16 years.

Mr. Holland is married to the former Era B. Hendricks, daughter of the late Houston Hendricks Sr. and Mrs. Hendricks. Her mother resides in Harrisburg. Mr. and Mrs. Holland have a child whom they reared, Patricia Harris, a senior in Harrisburg Township high school.

Mr. Holland was employed for seven years by the Sahara Coal Co. For a number of years he operated Holland's feed mill, then worked for four years as field representative out of Springfield for the Gainer feed mills. More recently he has been in the farm implement business.

the executive branch of the government or the congress. We are going to investigate. We are really going to bring out the facts."

"Yes," chimed in Flynt of Georgia. "We have eight ex-district attorneys, and we know how to investigate."

The two congressmen didn't say so, but it was obvious they had in mind the fact that Morse had already announced he would introduce a resolution to push a special Senate investigation of influence peddling and finagling inside the independent agencies in the House committee fell down as ex-counsel Schwartz has charged it is doing. Morse did not volunteer that he would withdraw his investigation. He said:

"I am sorry Mrs. Morse isn't here. I can't even offer you some coffee. I hope I can receive you more sociably on other business in the future."

Harris was inquisitive as to the exact time Morse received the secret documents.

"About 11:45 p. m.," Morse replied.

Harris looked disappointed. He knew this was before, not after Dr. Schwartz had been served with a subpoena to produce his documents. Therefore Schwartz could not be found in contempt of Congress.

"How could Schwartz handle all these papers?" Harris asked. "He didn't. He didn't have anything in his hands. Two newspapermen carried the documents for him."

Morse referred to the fact that Jack Anderson, my assistant, had advised bringing the documents to Senator Morse for safekeeping. The other newsmen was Clark Mollenhoff of the Des Moines Register-Tribune.

Is there room in your wallet for more than one paycheck?

Couldn't you squeeze in an extra piece of negotiable paper . . . say, a dividend check from common stock? If so, then perhaps you should think about investing for extra income.

It doesn't take a lot of money . . . two out of three shareowners have incomes under \$7500 a year.

For more facts about investing, make sure you read our new booklet "Dividends Over The Years," which also lists 300 stocks that have paid dividends every year for 25 to more than 100 years. Stop by our office for your copy today. And, if you have any questions, please ask them. No obligation.

Susannah Wesley Class Meets With Mrs. John Schwartz

The Susannah Wesley Sunday school class of the First Methodist church met in the home of Mrs. John Schwartz at 6 p. m. Thursday. The class provided a centerpiece for the table at the potluck dinner and presented it to the hostess in appreciation of her work with the class as its teacher.

Miss Katherine Mode opened the meeting with prayer and Mrs. Nelson Pankey presided. The group planned to serve a family potluck dinner at Wesley center during March. Mrs. Bill Ghent gave the devotion and her subjects were "Subjects We See" by Edgar Guest "L'Envoi" by Rudyard Kipling and the 23rd Psalm.

Members attending were: Mrs. Ghent, Mrs. Harley Shepherd, Mrs. Coy Brown, Mrs. Walter Cummins, Mrs. Gordon Guard, Mrs. Nelson Pankey, Mrs. Eugene Morris, Mrs. Charles Gilliam, Mrs. R. Ward Ozmert, Mrs. Ed Cummins, Mrs. Virginia Pritchard, Mrs. Eleanor Blades, Miss Hannelore Gaertner, Miss Katherine Mode, a guest, Mrs. Jake Syers, and the hostess, Mrs. Schwartz.

Mrs. Herbert Butler returned to Harrisburg from Evansville, Ind., Friday, where she had gone to be with her grandson, Stephen Wayne Reiner, and his parents, Mr. and Mrs. Glendon Reiner, while Stephen underwent surgery at Deaconess hospital in Evansville Tuesday. The little boy was returned to his home Wednesday and is reported to be making a satisfactory recovery.

Mr. and Mrs. W. J. Cooley and Mr. and Mrs. Cedric Skaggs returned Saturday from a week's vacation trip to Hot Springs, Ark. They reported that the japonica was flowering and the lawns a beautiful green when snow covered them for a short time Friday.

First Baptist Deborah Class Meets With Mrs. Ruth DeVar

The Deborah Sunday school class of the First Baptist church met in the home of Mrs. Ruth DeVar Tuesday evening. The meeting was opened with a hymn and Mrs. Velma Burnett led in prayer. Mrs. Marie Armistead gave the devotion.

Mrs. Vada Karnes presided during the business meeting and Mrs. Ruth Moore gave the secretary's report. There were games for the social hour and winners were Mrs. Mary Slow, Mrs. Burnett, Mrs. Gladys Mitchell, Mrs. Armistead. Others attending were: Hazel Muege, Clarice Froman, Hazel May, Sara Cole, Kathleen Calvert, Gladys Ewell, Wanda Lane, Edna Lindemuth, Jeanette Gates, Pava White, side, Lorene Hamby and one visitor, Bernice DeVar.

First Church of the Nazarene Bible Class Holds Meeting

The Bible class of the First Church of the Nazarene held a meeting in the home of Mr. and Mrs. Oscar Hutchinson Tuesday evening. The meeting opened with the singing of hymns and prayer led by Ebert Parkinson. Mrs. Beulah Hatcher gave the devotion and the closing prayer was led by Mrs. Grover Estes.

During the social hour refreshments were served of date pudding with whipped cream and coffee. Those attending were: Mr. and Mrs. Parkinson and son, Mr. and Mrs. George Turner, Rev. and Mrs. Charles Scott and children, Mrs. Clara Hunter, Mr. and Mrs. Hayes and children, Mrs. Hatcher, Mrs. Estes, Mrs. Helen Hughes and daughter and Mr. and Mrs. Hutchinson and sons.

Study Course on Japan Closed at Feb. 12 Meeting

The Women's Society of Christian Service of the First Methodist church met Feb. 12 at the church at 2 p. m.

This was the last session of a four lesson jurisdictional credit course, taught by Mrs. Lolo Eddy. The theme was "Japan," and Mrs. E. Bishop Hill arranged a centerpiece which was an attractive display of artistic articles and reading matter pertaining to Japan.

Mrs. L. B. Kimmel, president of the society, presided at a brief business session and Mrs. Walter Coker led the worship service. Mrs. Eddy spoke briefly in summing up the "work covered in 'Cross and Crisis in Japan,' by Inglehart. She emphasized the present day crisis in Japan, which is the need for land to accommodate a growing population, more than half as large as that of the United States. She said that nine million people live on a land area about the size of the state of Montana, which is mountainous and has only one sixth of its area under cultivation.

"Japanese Christians need and want the friendship and help of American Christians. While they have made great sacrifices to support their own program, the aid in missions and money of the west is a vital factor in the promotion of the Japanese Christian program," Mrs. Eddy said and added, "Japanese Christians including Kagawa and countless inconspicuous individuals are doing great good, yielding a powerful influence for a peaceful world."

Mrs. J. A. Bottomley, missionary education chairman, presented the 32 women who had attended previous lessons on this text, with credit cards and an invitation to a tea to be held at her home on Feb. 19, honoring Mrs. Eddy.

Mrs. James Gasaway told of the work done by Methodist women in connection with the United Church in Japan and the musical highlight of the day was the song, "The Name of Jesus," played by Mrs. Bob Norman and sung by Mrs. Larry Barnhill, Mrs. Ted Wolfe, Mrs. W. D. Piper and Mrs. Hillis Stokes. They, and other members of the Mother Thompson circle served refreshments, which were in keeping with the program theme.

D. A. R. Silver Tea Draws Good Attendance

The Daughters of the American Revolution Silver Tea, held in the home of Mrs. C. A. Bacon, 3 West South street, Friday afternoon, was well attended and its financial goal was realized.

The tea table was centered with a flower arrangement of red carnations and white snapdragons in a white bowl. Tall red candles glowed with bright flames above the silver candelabras on either side and colorful hors d'oeuvres and tea cakes, many in valentine heart shapes, added to the color of the setting. Silver tea and coffee services were at the ends of the table.

The committee, who acted as hostesses and poured tea and coffee for the guests were Mrs. Harley Shepherd, chairman, Mrs. Victor Humm, Mrs. Frank Parker Jr., Mrs. Sam Cape, Mrs. Paul Hatfield and Mrs. Bacon.

Mrs. Frank Gray, regent of Michael Hillegas chapter, greeted and registered the guests. The door prize was awarded to Mrs. J. V. Capel.

Mrs. Ross Abby of 1009 South Hobson street is a patient in Room 211 of the Lightner hospital. She was taken there Saturday suffering from a respiratory ailment.

Mrs. Clara Hatcher RFD 2, Harrisburg, has been confined to her bed for about a week with "flu" but is reported to be improving slowly.

Bradley Says Illinois Farmers Duped, Dumped

SPRINGFIELD (UP) — The Illinois Farmers Union complained today that "Illinois farmers feel they have been duped and dumped" by action of the federal Agriculture Department in calling off the experimental "whole farm" soil bank program.

IFU President Ralph S. Bradley, Springfield, sent a telegram to the chairman of the House Agriculture Committee suggesting it ask Agriculture Secretary Ezra T. Benson how much money was spent on the program before it was junked.

The telegram said: "Suggest your committee inquire from Ezra Taft Benson... total cost of his now defunct soil bank program fiasco which involved putting entire farms into the program on a five to 10 year basis."

The telegram said that Illinois farmers feel "they have been duped and dumped" and "wish to know how much public money was used for this kind of treatment."

Earlier Bradley had described the "whole farm" soil bank plan as "an insult" to farmers. More than 20,000 Illinois farmers had entered bids under the program to place all their cropland in the soil bank. Large numbers of bids also had been received from Tennessee and Nebraska, two other states in which the program was to be tried.

Then last week Benson announced the program was being called off in the three states and that none of the bids would be accepted because they ran too high.

News from the State Capitol

More hunters used the Illinois Department of Conservation's public hunting areas during the 1957 season than during the previous year, according to statistics made public by Director Glen D. Palmer, but only the duck hunters managed to boost the percentage of hunter success.

A total of 7,228 hunters killed 9,104 ducks on the five department areas for an average of 1.26 ducks per hunter. On the same areas in 1956, the average was 1.24 with only 4,238 hunters participating.

Shelby county was the best hunting spot for the second straight year with an average of 1.56 birds per hunter, but it fell off badly from its 1.71 figure of 1956, as did Belle Rive which dropped to third place behind Clinton county.

The hunting program did set one major record—the total revenue from use stamps amounting to \$102,339, which has been deposited in the Game and Fish fund for reappropriation in future bienniums. Previous record was \$89,307 in 1956.

Governor William G. Stratton said that attendance at Illinois state parks and memorials during 1957 reached an all-time high of 11,826,100 persons. This figure was 1,699,937 over the 1956 attendance of 10,126,163.

In releasing these figures the governor stated that he was pleased with the attendance increase and "that so many of our citizens are taking advantage of their park system."

More thunderstorms occur in southern and western Illinois than in the northern or eastern parts of the state, according to a report published by the Illinois State Water Survey, a research division of the state Department of Registration and Education.

More than 42 per cent of the average annual rainfall in southern and western Illinois results from thunderstorms, the study reveals. June is the month when most thunderstorms occur in Illinois.

52,901 Persons On State Payroll

SPRINGFIELD (AP) — The state payroll for December stood at 52,901 employees and \$17,431,544, a decrease of 100 persons but an increase of \$91,233 from November, the state auditor reported Thursday.

However, State Auditor Elbert E. Smith said, the number of persons on the state payroll also increased from November to December, except for the state colleges and universities.

The university of Illinois alone had 275 fewer employees in December than in November — more than enough to account for the drop of 100 in the number of persons on the overall payroll.

Exclusive of the educational institutions, Smith said, the state payroll showed an increase of 157 persons and \$254,716 from November to December.

The overall December, 1957 total was \$2,134,198 greater than the December, 1956 payroll, principally due to the higher salary scales under the new personnel code.

Children Flee School Fire

VERGENNES, Ill. (AP) — School children here fled without their coats into zero weather this morning when fire destroyed the grade school and school cafeteria.

There were no injuries, but the fire spread so fast that most of the 115 children and five teachers were unable to grab their coats. Damage was estimated at \$50,000 and officials said insurance will not cover the loss.

The fire began around a basement furnace. The blaze spread to and destroyed a school cafeteria which serves both the grade and high school. The northern Jackson County town has no fire department and residents used hand extinguishers in an unsuccessful attempt to combat the flames.

Nats Beat Royals, 113-105; Hawks Lose to Pistons

By United Press
Everyone has conceded the Boston Celtics will win the Eastern Division title of the National Basketball Association except the stubborn Syracuse Nationals.

The second-place Nationals still can overtake the Celtics although it would take a near-perfect brand of basketball. The Nats whittled the Celtics' lead to 6 1-2 games by whipping the Cincinnati Royals, 113-105, Sunday.

The Cincinnati team arrived one hour late for the game in Syracuse, N. Y., due to a heavy snowstorm. The same storm caused postponement of the game between the Celtics and New York Knickerbockers in Boston. No new date was announced.

Walt Dukes topped in a shot as the final horn sounded to give the Detroit Pistons a 106-98 win over the St. Louis Hawks, Western Division leaders.

Veteran Vern Mikkelsen registered 31 points to lead Minneapolis to a 106-99 victory over Philadelphia.

Hugh McCuthan, 88, Resident of RFD Stonefort, Dies

Hugh McCuthan, 88, resident of Stonefort RFD 2, died in the home of his foster son in Bloomfield at 12:15 p. m. Sunday. He was born in Vanderburgh county, Indiana, and was the son of the late Mr. and Mrs. Charles McCuthan. He came to the Carrier Mills community about 50 years ago and was a member of the A. M. E. Methodist church of McCuthanville, Ind. His wife preceded him in death in 1953 and he is survived by his son, Charlie McCuthan, in the family home and his foster son, Lawrence Thomas, in whose home he died.

The body will lie in state at the Miller funeral home in Carrier Mills and the funeral will be held there at 11 a. m. Tuesday. Rev. Eugene Nolen will officiate and burial will be in the McCuthanville cemetery near Evansville, Ind. Pallbearers will be Guy Turner, James Turner, Carl Miller, Charles Graves, Sam Chamness and Dale Nolen.

A. E. Wooden, 89, Former Resident of Junction, Dies at Anna

A. E. Wooden, 89, former resident of Junction, died at the home of his son-in-law and daughter, Mr. and Mrs. Jake Kennedy, in Anna Sunday morning. The body will lie in state at 6 p. m. today in the Smith and Edwards funeral home in Ridgeway. Funeral services will be held at 2 p. m. Tuesday in the General Baptist church at Junction with Rev. Creighton Hampton officiating and burial will be in the Westwood cemetery.

Matter of FACT

The first commercial laundry in the United States was begun for the laundering of detachable collars. It is said that the laundry industry came into being because of the needs of the forty-niners during the gold rush days of California. At first all the work was done by hand. Later a 13-shirt washing machine was built. A 10-horsepower donkey engine furnished power.

Ted Mitchell, UMW Board Member, Dies At West Frankfort

Ted Mitchell, 55, 303 West St. Louis street, West Frankfort, died Saturday noon at the Union hospital in West Frankfort. He was a member of the U. M. W. A. and had been a member of the executive board of that organization for the past 16 years.

The body will lie in state at the Mitchell funeral home in Benton and funeral services will be held in the E. Benton Baptist church at 2 p. m. Tuesday. Rev. O. W. Thomason, Terre Haute, Ind. and Rev. F. L. Trotter will officiate. Burial will be in the Masonic and I. O. O. F. cemetery at Benton.

Hosch Points to School Problems

(Continued From Page One)

ment must be given without any thought of control or interference.

Also speaking was Albert Willis, Eldorado Township high school graduate who is executive secretary of the Illinois High School association.

Mr. Willis, who told of the poor conditions of the early high schools and of the big advances made in Illinois, declared:

"This gymnasium is one of the very finest I have ever seen in my travels throughout the state."

He expressed his personal gratitude to the community for the benefits he had derived while a student in Eldorado.

Feuquay Honored
A band concert preceded the program and the invocation was by Elder Charles W. Brannum. J. Ward Barnes, ETHS principal, introduced special guests after which there were remarks by Charles R. Hauser, president of the ETHS board of Education.

At game halftime Alfred Adams, ETHS athletic director, presented an All-American certificate to Lester Feuquay, the Eldorado griddler who set scoring records last fall, and in a special ceremony the football jersey of Feuquay, No. 26, and that of Lindell Lovellette, No. 50, were retired. Lovellette, attending University of Illinois, was present.

Also at halftime the starting five of the ETHS basketball team of 1912, all still living at Eldorado, was introduced. They were George Wilson, right forward; Louis Beasley, left forward; Leslie Stinson, center; John David Upchurch, running guard; and Capt. Cecil Simpson, back guard. This team lost but two games, both to Mt. Vernon.

Miners Exams at Eldorado March 12

Examination for miner's certificates will be held at Eldorado at the mine rescue station on March 12 from 9 a. m. to 2 p. m., it was announced today by Director Ben H. Schull of the Illinois Department of Mines and Minerals.

Aud Miller Rites Held at Carrier Mills

The funeral of Aud Miller, 77, of Carrier Mills, who died Friday was held at 2 p. m. today in the Miller funeral home at Carrier Mills. Rev. Carl Davis officiated and burial was in the Salem cemetery.

Rosiclar Man Dies

S. E. Herl, 74, resident of Rosiclar, died at 3:30 a. m. Sunday at the Hardin County General hospital in Rosiclar. The body will lie in state at the Rottmann funeral home in Rosiclar and a Rosary will be said there at 7:30 p. m. today. Funeral services will be held at 10 a. m. Tuesday in St. Joseph's church in Hardin county with Rev. H. M. Reis officiating. Burial will be in the church cemetery.

Run by Fire Department

The fire department made a run to East Homer street at 11:50 a. m. today. An auto had been driven by Mrs. Henry Mills with the emergency brake on and the brakes were smoking, but there was no fire.

Believe Plane Kidnaped

North Korea Admits Missing Airliner With 32 Aboard Lands in Red Territory

SEOUL, Korea (AP) — The Pyongyang Radio admitted tonight that a missing Korean National Airlines plane with 32 persons aboard landed in Communist North Korea Sunday.

The propaganda voice of North

Korea made no mention of where the DC3 had landed after it disappeared on a routine flight from Pusan to Seoul in the Republic of Korea. The plane was piloted by an American, with a second American also aboard.

The plane apparently arrived over Seoul on schedule and then continued north without landing. It was tracked by radar as it flew over the demilitarized zone and into North Korea. Radar tracked it as far as Sunan air base, 20 miles north of Pyongyang, capital of Red-run North Korea.

South Korean intelligence officers expressed belief earlier in the day that Communist hatchet men had kidnaped the plane's crew and passengers at gunpoint and forced it to land in North Korea in a cold-blooded attempt to get hostages for bargaining purposes.

The Pyongyang broadcast was made in the Japanese language. It said a "South Korean government civil airliner" arrived in North Korea at about 11 p. m. e.s.t. Sunday.

It said the plane "heroically" reached the Communist north.

It added that "The people on the plane were against the occupation of South Korea by the U. S. imperialist aggressive forces."

U. S. Gen. George Decker, United Nations commander in South Korea, demanded the immediate return of the plane. He called for a true commission meeting at Panmunjom Tuesday to arrange for its return.

The Communist side late today agreed to the Panmunjom meeting.

France, Tunisia Accept U. S.- British Offer

TUNIS (AP) — France and Tunisia today accepted a joint U. S.-British offer to help solve the Tunisian dispute. Tunisia immediately eased its blockade of 22,000 French troops.

First indications were the joint acceptance would mean a postponement of the United Nations Security Council meeting on Tunisia and the Algerian rebellion, scheduled for Tuesday.

The Anglo-American offer was presented in Paris this morning to French Foreign Minister Christian Pineau by U. S. Ambassador Amory Houghton and British Ambassador Sir Gladwyn Jebb. The Foreign Office announced its acceptance.

The joint offer was presented in Tunis Sunday by U. S. Ambassador Lewis Jones and British Ambassador Edward Malcolm to Tunisian President Habib Bourguiba.

A Tunisian government spokesman announced that Tunisia had "accepted the good offices of the United States and Great Britain for the settlement of the Franco-Tunisian crisis."

A Tunisian government spokesman said Sunday the Bourguiba government would drop its Security Council complaint against France if the United States would make a formal offer of its "good offices."

Bitter Weather Puts Freeze on Ike's Activities

THOMASVILLE, Ga. (AP) — Bitter winter weather hit southern Georgia again today and put the freeze on any plans President Eisenhower may have had for outdoor activities.

The President arrived at vacation headquarters last Thursday on the heels of a snowfall and has yet to fire at a quail or swing a golf club. He and Mrs. Eisenhower basked in front of the fireplace Sunday instead of attending church.

Medical advisors reported that the President's nagging cold is improving but he has been advised to stay indoors for the time being. He is at the plantation of former Treasury Secretary George M. Humphrey for what he hopes will be a 10-day break in the pressures of office.

Million Dollar Printing Plant Fire

DIXON, Ill. (AP) — Firemen today guarded smoldering newspaper in a million-dollar printing plant fire against bursting into flames again.

The fire and explosion of butane gas tanks it set off destroyed the Dixon Publishing Co. commercial job printing plant Sunday.

A. V. Lund, vice president of the parent B. F. Shaw Printing Co., said losses would run one million dollars. The fire destroyed the one-story building with its newly remodeled offices, 4 newspaper-type presses, 10 linotypes and 15 carloads of newsprint.

Facilities of the Dixon Evening Telegraph, which the Shaw company operates, are at a downtown location and were not affected by the fire.

Eisenhower Letter to Bulganin Sees Little Good in Further Messages

WASHINGTON (AP) — President Eisenhower told Soviet Premier Nikolai Bulganin today that the United States and Russia seem to have come to an impasse in trying to arrange a summit conference.

He suggested that it could be broken by "less formal and less publicized contacts" to determine whether such a top level meeting can profitably be held.

The President said the two leaders seemed to be writing speeches to each other. He questioned "whether we shall get anywhere by continuing the process."

The President was sharply critical of Soviet attacks against U. S. policy. He was especially critical of what he called a "ra-

ther bitter speech" by Communist Party boss Nikita Khrushchev in Minsk on Jan. 22.

He told Bulganin that the cumulative effect of the Soviet premier's last three letters to him seeking a summit conference "is to leave considerable puzzlement as to what you think another such meeting could contribute to a genuine settlement of our problems."

The President's views were contained in a lengthy letter delivered to Foreign Minister Andrei Gromyko in Moscow today by U. S. Ambassador Llewellyn Thompson.

The President said exchanges of views through ambassadors or foreign ministers may serve better to determine the prospects

of a productive summit meeting than anything else.

Therefore, he said, the United States is now consulting with other interested nations as to the desirability of exploring "through more normal channels" the prospects of a top level meeting.

The President said he "deplores the constantly mounting accusations within the Soviet Union that the United States is a nation ruled by aggressive war-minded imperialists." He said Khrushchev's speech was "an outstanding example of such charges and indeed they are to be found in your Feb. 1 note."

Ridgway Trips Equality, 56-47, In GEC Contest

Ridgway continued its winning ways in the Greater Egyptian conference Saturday night by taking a 56-47 decision from Equality.

For the visiting Ridgway team it marked the 11th consecutive victory of the season and the GEC schedule will be completed Friday night at Cave-in-Rock. Equality's league schedule is finished and the team played 500 ball, winning six and losing the same number.

The game was decided in the opening quarter when Ridgway got away from Equality's man-to-man defense and piled up an 11-4 lead. Equality went into a pressing type defense for the remainder of the game and played on near even terms, but Ridgway's first quarter advantage was sufficient.

Roger Suttner, Ridgway's 6-11 plus center, was top scorer of the game with 26 points and teammate Donnie Sanders, 5-8 guard, also hit in double figures, 14.

Carnett paced Equality with 11 markers.

Equality took the preliminary game 52-40, giving the Equality reserves a season's record of 18-1.

Equality plays at Thompsonville tonight in the season's finale. Ridgway also closes out the season this week, entertaining Fairfield Tuesday and travelling to Cave-in-Rock Friday.

Looking At Sports

By BILL MELTON

"LITTLE GUYS" Basketball came to my attention for the first time just a few days ago.

Bob Peyton, co-worker at The Daily Register and a basketball referee, received the official publication of "Little Guys" Basketball from national headquarters at Highwood, Ill., and passed the magazine along to me.

Originator of "Little Guys" Basketball is Donald C. Skinar, recreational director for Highwood, Ill.

Listed under a heading "How 'Little Guy's' Differs From Regulation Basketball" are the following:

1. Court is 50 by 60 feet instead of the high school 50 by 84 court.

2. Baskets are 8 1/2 feet from floor instead of regulation 10 feet.

3. Free throw line is 12 feet from basket instead of customary 15 feet.

4. Back court line is free throw line at each goal instead of normal center "jump circle" line.

5. Each boy on the squad must play a full six minutes of every game.

6. Four six-minute periods instead of regular eight-minute periods.

7. Six fouls rather than five disqualify a player.

8. Boys must be 12 years of age or younger as of December 1 of current season.

9. Ball is 29 inches in circumference instead of customary 30 inches.

10. In local league play only, a youngster scoring 20 points must leave the game.

"Little Guys" Basketball, patented by Mr. Skinar, is in its third year. The national championship tourney has attracted teams from Illinois, Wisconsin, Indiana, Pennsylvania and Puerto Rico.

The organization was formed to give little guys a chance to play as competition is restricted to boys under the "five foot" height and 12 years of age limit.

Cairo, a member of the Big Eight conference of Missouri, made a bid recently to get into the Illinois conference and failed.

The Southwest Egyptian conference, by a 4-3 vote, decided to not expand the 7-member loop Cairo needed five conference votes to gain admittance to the SWE league.

Metropolis high school's athletic future looks bright. The present crop of athletes in the Metropolis freshman and sophomore classes is said to be the best in a long time.

Chicago — Indiana meets Ohio State and Michigan State clashes with Michigan tonight in battles for the Big Ten basketball lead.

At the moment, Michigan State was sole occupant of first place with a half-game lead over Indiana. The Spartans bumped the Hoosiers out of a share of the lead by beating Illinois, 65-56 Saturday while the Indiana five took a day off.

The Hoosiers, however, were an excellent bet to take over the lead by themselves tonight. The Hoosiers, seeking their sixth league victory have the important home court advantage working for them when they meet the Buckeyes.

It was the other way around with the Spartans. They put their 6-3 conference slate on the line Michigan. A setback by their friendly rivals across-state would jar Michigan State out of the lead and give it to Indiana.

The Hoosiers have six games left in the conference, three at home. The Spartans have five to go, two on their own court. In addition to Michigan, the Spartans must travel to meet Purdue and Iowa.

Tonight's other two games pair second division contenders. Wisconsin seeks its fourth conference victory in 10 starts in a tilt at Iowa. And Illinois is out for the same record in a battle with Minnesota on the Illini court.

The Spartans' ace rebounder, Johnny Green, was the star in their winning effort against Illinois. The jumping Jack center snared 17 of his team's 41 rebounds and bagged 17 points, an individual high for the game, although he was out a good portion of the contest due to a gash on his forehead.

In other Saturday night games, Purdue scored its sixth victory against four losses by trimming Wisconsin, 81-76. Ohio State defeated Michigan, 85-76, and Northwestern edged Minnesota 76-75.

The Boilermaker victory put the Lafayette, Ind., crew in third place, only a half-game off the pace. And the Buckeyes, scoring their seventh straight victory at home, made their mark 6 and 5 for a fourth place standing, one game behind the leader.

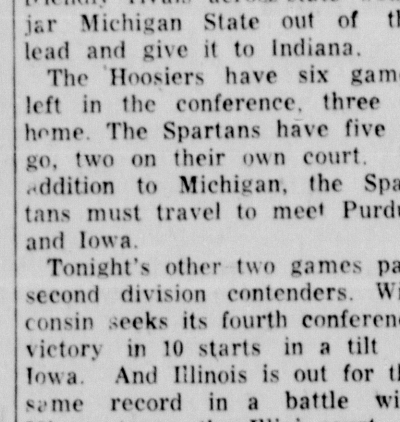

The Buckeyes were no better than Michigan shooters from the floor, but they demonstrated the importance of free throws. Capitalizing on Wolverine fouls, the Bucks sank 33 of 43 charity shots.

Free throws also figured in the Northwestern victory. The Wildcats and the Gophers battled neck-and-neck throughout but in the final minutes the game turned into a battle from the free throw line. Dick Johnson got a shot in the final 11 seconds and made it to give Northwestern its one-point conquest of Minnesota.
